How's It Different From MS Word, Or Other Document Comparison Tools?

Review Docs/PDFs Side By Side

This feature is loved by lawyers drafting contracts, especially when trying to track any changes made in amounts, text etc. from the previous versions. We all know how many versions become the 'final one', this feature helps you keep track of changes, even if you lose track of the version.

Share & Export

Mike DocCompare allows you to share analysis with anyone (even those without credentials) directly from the dashboard.

Formatting Changes

Yes, even formatting changes like - bold, paragraph, bullet, numbering - any and every formatting style change is flagged by Mike DocCompare.

Ready For Battle

10,000 word or 10,000 pages. Mike DocCompare has stood strong without any compromise on features, accuracy or even crashing out in every possible scenario.

Client-First Approach

A feature our team and brand take immense pride in. Night or day, 365 days a year, our team is available for any troubleshooting, grievances, or hands-on training.

Mike DocCompare vs MS Word

Just Some Other Reasons Why Mike DocCompare Is **Unlike Anything Out There.**

Access From Anywhere, Anytime

The tool can be accessed using the log-in credentials from anywhere and is not device restrictive.

Supports All Major Browsers

Safe To Use

Unlike free tools online with no known security parameters, our end-to-end encryption ensures the safety and security of all the documents you upload maintaining confidentiality across the board.

Competitive Pricing

We promise to deliver the best products, and after-sales service at competitive pricing to anything remotely similar to Mike DocCompare.
