## Automated Contract Proofreading and Formatting Tool

Mike DocReview is an AI-powered MS Word add-in that corrects formatting & proofreading issues with a single click, it reduces the time spent on non-billable mandates. Built by the collaboration of lawyers and engineers.

## What Does Mike DocReview Do?

### Definitions

- View defined and undefined terms instantly.
- Identify duplicate definitions and delete if unnecessary.
- Instantly view unused definitions.

### Clause References

- View all clause references, referred clause.
- Identify missing clause references.
- Fix incorrect clause references instantly.

### Amounts & Numbers

- View all amounts and numbers in one place.
- Fix amounts in words and numbers with a single click.
- Instantly fix amounts with incorrect commas.
- Fix deviation in currencies.

### Dates

- Correct inconsistent date formats with a single click.
- View if the mentioned date is a weekday or a weekend.

### Placeholders

- See all placeholders in the agreement making sure, you do not miss out on adding any information.
- See highlighted text across the document.

## Line Spacing

Each line is scanned individually and any spacing between them that is not in sync with the input setting is detected as an error.

## Formatting For Headings

Set personalised heading styles in settings and fix all the headings in one click without spending time to correct each one.

## Fix Paragraph Styling

Set and correct paragraph styles with fonts and font size using settings. It also detects any inconsistency and reports them as error.

## Styling For Schedules

Get the freedom to format schedule that is different from the main agreement. Make your draft stand out from a standard legal document.

## Fix Numbering Format

Get the flexibility to create your own unique type of numbering format. It detects any inconsistency and error in numbering and fixes them in one click, saving time and reducing stress.

## Set Your Own Styles

Take full control of your templates and set your in-house font family, size, text format and style for heading, sub-heading, main agreement and schedule body.

Mike DocReview is an **essential toolkit** for every in-house lawyer reviewing contracts. It's **easy and intuitive to use.** I compliment Anshul Gupta and the team for building **a great tool** that addresses typical issues faced in proofreading documents.
